MAGADAN SHIP REPAIR YARD NO. 2

The Magadan Ship Repair Yard No. 2 is located approximately 1.5 miles south of Magadan near the village of Marchekan at coordinates 59 32 05N - 105 46 00E.

25X1B Facilities at this repair yard include one small boat storage area, one pier, one gantry crane, one probable forge/foundry, several machine shops and four administrative/support buildings. There appears to be no out-of-water repair facilities or marine railway which would be required for any kind of extensive ship repair. 25X1B [REDACTED]

Table one contains the description and dimensions of buildings at Ship Repair Yard No. 2. The items listed in table one are keyed to the attached line drawing (Figure 1).
